Applicant Email Address:

I understand that any missing or incomplete items or failure to clearly describe the proposed scope of work will cause this plan review to be delayed until the submittal is complete and/or the work is correctly described. Upon submittal of the remaining items, I understand that the plans are still subject to review by the Village and that corrective measures and/or additional information may be required.

Type of Pool:

- [ ] Inflatable Pool
- [ ] Storable Pool
- [ ] Permanent (left assembled year-round, per manufacturer’s installation instructions)

Is the pool equipment new or second-hand (used)?

- [ ] New
- [ ] Used

Will the ground/slope be modified for the pool?

- [ ] Yes
- [ ] No
Minimum Requirements: **(place a check mark next to each number to confirm that you will comply)**

1. **Pool (inclusive of all electrical and mechanical equipment) must be located not less than 6 feet from a property line. Any related deck or patio must conform to deck and/or patio setbacks.**
2. **Pool must be located in the rear yard only.**
3. **Pool must be located at least 10 feet away from overhead electrical lines - horizontal clearance.**
4. **Pool must be located at least 5 feet away from underground electrical lines - horizontal clearance.**
5. **Electrical equipment, including power-supply cords shall be protected by ground-fault circuit-interrupters (GFCI). All 125-volts receptacles located within 20 feet of the inside walls of the pool shall be GFCI protected. Extension cords are not allowed.**
6. **Electrical receptacles shall be not less than 10 feet from the inside walls of a pool.**
7. **Addition of swimming pool must not surpass maximum level of impervious surface coverage as outlined in the zoning ordinance.**
8. **Work cannot obstruct or alter the flow of stormwater.**
9. **Equipment must have a plate attached indicating that the equipment is intended for the proposed usage, and must bear the approval of a nationally recognized testing laboratory that has tested said equipment—such as UL.**
10. **Ladders must retract and lock in the up position.**
11. **The water supply must include a vacuum breaker or a backflow prevention device.**
12. **Stagnant water is not allowed; pools must be maintained.**
13. **All excavated soils must be hauled offsite and disposed of properly.**
14. **A permit is not required for inflatable or movable pools, 24 inches or less in depth.**
15. **Contact the Community Development Department for more information.**
16. **Permit fees: $150 for permanent pools (left assembled year-round); $75 for "initial installation" of inflatable/storable pool; $25 for "reinstallation" of previously permitted inflatable/storable pool.**
17. **Fencing requirements:**
   - **17A.** Minimum 4 feet tall measured from the ground, surrounding the pool itself rear of the property. Fences can be mounted on top of the pool structure or alongside the pool.
   - **17B.** Maximum 4 inch air gap opening between spindles for fences on top of or alongside the pool.
   - **17C.** Gates shall open outwards, away from the pool and shall be self closing with a self latching device.
   - **17D.** Gate release mechanism to be at least 3 inches below the top of the gate or a minimum 54 inches from the bottom of the gate.
   - **17E.** Openings in gate must be no greater than 1/2 inch where within 18 inches the release mechanism. For diagonally framed gates, the maximum opening is 1.75 inches between members.
   - **17F.** For new fences surrounding a rear property, a separate fence permit is required.
18. **Please note that there is a $50 fee for re-inspections.**

**Minimum Required Inspections:**

1. Concrete pre-pour, as needed
2. Underground electrical, before backfilling.
3. Final inspections

**Schedule Inspections With:**

DOES NOT QUALIFY FOR 1-DAY PERMIT REVIEW

This is an example of the property drawing on a Plat of Survey that is not current or up-to-date. This Plat of Survey shows only the foundation of the house. It does not show any improvement on the property, such as the garage, deck, stoop, sidewalks, etc.

QUALIFIES FOR 1-DAY PERMIT REVIEW

This is an example of the property drawing on a Plat of Survey that is current and up-to-date. This plat of survey shows the foundation of the house, as well as the driveway, garage, stoop, and sidewalks. If this property had a shed, patio, pool, etc., it would all be shown on the Plat of Survey.
