Popular
Annual
Financial
Report

For the period ending December 31, 2019

Citizens of the Village of Carpentersville, Illinois:

We are pleased to present the Village’s Popular Annual Financial Report (PAFR) for the fiscal year ended December 31, 2019. The PAFR is a summarized presentation of the Village’s official financial statements. The information found in this report derives from the Village’s 2019 Comprehensive Annual Financial Report (CAFR), which contains detailed audited financial statements and conforms to the generally accepted account principles (GAAP). The PAFR is a specifically designed alternative to the CAFR that allows the Village of Carpentersville to convey information about the major aspects of the Village’s financial condition to its residents.

The PAFR is a completely optional publication that has been submitted to further transparency efforts between the village and its residents. While the Government Finance Officers Association of the United States and Canada encourages all governments to publish PAFRs, only a few do so. The Village of Carpentersville is joining other progressive municipalities in publishing its first PAFR.

This report is found online on the village’s website at www.cville.org or can be obtained in person at village hall upon request. If you have any questions regarding the information presented on the following pages, please contact the Finance Department at (847) 551-3476.

Sincerely,

Eric Johnson
Village Manager

Is the PAFR GAAP compliant?

Because the PAFR is a summary document, it does not comply with Generally Accepted Accounting Principles (GAAP) requirements. Residents who prefer to review a report that is GAAP compliant may review the audited CAFR documents on the Villages website at www.Cville.org.

DIVIDING UP YOUR PROPERTY TAX DOLLAR

Kane County assesses property taxes on behalf of all taxing jurisdictions within the County. In addition to the Village of Carpentersville, Kane County, Dundee Schools and Elgin Community College, library and other special districts receive funding. For each dollar that is collected in property taxes, the Village receives \$.23. Property taxes accounted for 35% of the revenues for the Village of Carpentersville's General Fund in fiscal year 2019. The Village has been able to keep low property tax rates due to long term financial planning and conservative fiscal management.

Dundee/ECC Schools 63%
 Village of Carpentersville 22%
 Kane County 6%
 Park District 5%
 Library 2%
 Dundee Township 2%
