Popular
Annual
Financial
Report

For the period ending December 31, 2017

Citizens of the Village of Carpentersville, Illinois:

We are pleased to present the Village’s Popular Annual Financial Report (PAFR) for the fiscal year ended December 31, 2017. The PAFR is a summarized presentation of the Village’s official financial statements. The information found in this report derives from the village’s 2017 Comprehensive Annual Financial Report (CAFR), which contains detailed audited financial statements and conforms to the generally accepted account principles (GAAP). The PAFR is a specifically designed alternative to the CAFR that allows the Village of Carpentersville to convey information about the major aspects of the Village’s financial condition to its residents.

The PAFR is a completely optional publication that has been submitted to further transparency efforts between the village and its residents. While the Government Finance Officers Association of the United States and Canada encourages all governments to publish PAFRs, only a few do so. The Village of Carpentersville is joining other progressive municipalities in publishing its second PAFR.

This report is found online on the Village’s website at www.cville.org or can be obtained in person at Village Hall upon request. If you have any questions regarding the information presented on the following pages, please contact the Finance Department at (847) 551-3476, or visit Village Hall at 1200 L.W. Besinger Dr. Carpentersville, IL 60110.

Sincerely,

Marc Huber
Interim Village Manager

Is the PAFR GAAP compliant?

Because the PAFR is a summary document, it does not comply with Generally Accepted Accounting Principles (GAAP) requirements. Residents who prefer to review a report that is GAAP compliant may review the audited CAFR documents on the Villages website at www.Cville.org.

DIVIDING UP YOUR PROPERTY TAX DOLLAR

Kane County assesses property taxes on behalf of all taxing jurisdictions within the County. In addition to the Village of Carpentersville, Kane County, Dundee Schools and Elgin Community College, Library and other Special Districts receive funding. For each dollar that is collected in property taxes, the Village receives \$0.24. Property taxes accounted for 36% of the General Fund Revenues for the Village of Carpentersville in fiscal year 2017. The Village has been able to keep property tax increases low due to long term financial planning and conservative fiscal management.

Dundee/ECC Schools 62% Village of Carpentersville 23% Park District 6% Kane County 6% Library 2% Dundee Township 2%

WHERE THE MONEY COMES FROM
