

**BUILDING PERMIT**  
**CONSENT TO VITUAL INSPECTION**

I, \_\_\_\_\_, the property owner on record for the property located at \_\_\_\_\_, Carpentersville, Illinois, consent to a virtual inspection of the property by inspectors of the Village of Carpentersville in connection with a valid building permit. I understand that this inspection may have certain limitations, and that only items visible on the media submitted will be inspected. Any life safety items not possible to be adequately inspected remotely for code compliance, will require a follow-up in-person inspection by the Village of Carpentersville at a later time. The inspection will be conducted solely for the purpose of determining the project associated with the valid building permit's compliance with the ordinances of the Village of Carpentersville. I also understand that in order to have the virtual inspection, I may have to provide other information, such as pictures/videos, which the Village may review and maintain to conduct its inspection process.
