<p>No error or omission in either the applicant's plans or application, whether said plans or application has been approved by the Village or not, shall permit or relieve the applicant from constructing the work in any other manner other than that provided for in all the ordinances of the Village of Carpentersville relating thereto. The applicant shall submit the work contemplated by this application to the required inspections and shall not allow the occupancy of any space encompassed by the work until a Certificate of Occupancy has been obtained from the Village. The applicant having completed and read this application and fully understanding its requirements declares that the applicant's statements and plans are true to the best of his ability, knowledge and belief. The applicant understands and agrees that any building permit or certificate of occupancy shall not relieve the applicant of compliance with the rights of any third part such as, by way of example only, any easement or covenants or restrictions affecting the applicant's property, compliance with same being the applicant's sole responsibility. <u>I understand that utilities owned by the Village of Carpentersville or public utility companies may be located within the utility easement shown on the plat of survey. I also understand that in the event of needed repairs/replacement of utilities, the Village or public utility company making the repairs/replacements will not be held responsible for damage to or replacement of the structure located in the easement.</u></p>
