BOARD REPORT

TO: Village President and Board of Trustees

FROM: Todd Shaver, Chief of Police

DATE: November 5, 2024

RE: Resolution Approving an Intergovernmental Agreement with Kane County Animal Control

BACKGROUND

The Village of Carpentersville has entered into past agreements with local animal shelters to provide boarding and medical services to stray animals located within the village. The Village of Carpentersville has entered into a previous agreement with Kane County Animal Control which expired September 5, 2024.

ANALYSIS

The police department does not have a facility to house stray animals for long periods of time. Current practices require that an officer transport an animal to a facility outside of the Village, which takes the officer away from other assignments and responsibilities. The Kane County Animal Control will pick up stray animals (between 7am-8pm), which will allow officers to respond to calls for service within the Village.

FISCAL IMPACT

The average cost per stray impounded animal with Kane County Animal Control is \$116.00.

DEPARTMENT RECOMMENDATION

The Carpentersville Police Department respectfully recommends that the Village Board approve the resolution approving an agreement with the Kane County Animal Control department.

RESOLUTION NO. R24-64

WHEREAS, the President and Board of Trustees of the Village of Carpentersville find it to be in the best interests of the Village to enter into the attached agreement.

NOW, THEREFORE, BE IT RESOLVED by the President and Board of Trustees of the Village of Carpentersville, Kane County, Illinois, as follows:

Section 3. Complaint Calls - Response.

Should the Kane County Animal Control Department face unexpected budgeting concerns rendering the services described herein impossible to provide at the fees described herein, upon formal written notice by the Kane County Animal Control Administrator, the parties may renegotiate the financial terms of this Agreement. If the parties are unable to reach an agreement as to such renegotiation, any party may cancel this Agreement upon 30 days' written notice.

The Municipality shall notify the County in writing, not less than 60 days prior to the expiration date, of its intent to exercise each renewal option.

Section 9. Additional Agreements.

The Parties agree to meet to work towards a long-term solution to the regional issues of animal control. To that end, the County will assist the Municipality cooperatively with Metro West to participate in developing a plan to meet specific anticipated demand for animal control services due to municipal growth. Failure by the Municipality to participate in good faith in said meetings shall be a breach of the terms of this agreement by the Municipality. The Municipality must provide the Administrator of Kane County Animal Control with the names and telephone contact information of no fewer than two individuals at the Municipality who shall serve as the point of contact for issues relating to this Agreement, logistical issues, and billing concerns.

In order to best educate the public about the procedures for reporting straying animals and in an effort to reduce time or confusion associated with such calls for assistance, the parties agree to publish a statement on their respective websites explaining the correct steps for

members of the public to take when reporting a straying animal. Each Party shall provide a hyperlink to the website of the other, in order to direct users to the proper point of contact. The statement posted must contain the following language:

Depending on where you live in Kane County, you may be served by your local animal control facility, your police department, a state agency, or Kane County Animal Control. This must also include time and date of occurrence and the name of person spoken with, including badge or other identification number if appropriate. An investigation will be conducted and reviewed by the Administrator or other approved representative of KCAC, with assistance from the State's Attorney, who will provide a recommendation whether disciplinary actions are warranted and the level of severity taken.
